PROCLAMATION
HONORING THE 127TH ANNUAL
DECORATION SERVICE

WHEREAS, Memorial Day began as Decoration Day in 1868 when an order was issued by the Grand Army of the Republic to decorate the graves of all soldiers who fell in battle during the Civil War, and now this honor is extended to veterans of all wars who died while serving our country and our allies; and

WHEREAS, since 1896, when our first Dos Palos soldier, M.E. Armstrong, was buried here, the people of our community with assistance from churches, clubs, official, and American Legion Post 86, have honored our fallen veterans; and

WHEREAS, this local tradition has endured eight wars including two World Wars, a Cold War, the Great Depression, and the Great Recession, and two Worldwide Pandemics, and yet here we are continuing this precious legacy and conducting the 127th Annual Cemetery Decoration Service; and ***NOW THEREFORE***,

BE IT PROCLAIMED, that I, April Hogue, 28th Mayor of the City of Dos Palos, on this Memorial Day, May 29, 2023, call upon all citizens to cherish the memory of those who paid the ultimate price for our freedom.

SIGNED:

Mayor April Hogue

Dos Palos City Council Meeting Minutes

April 18th, 2023

A. Call to Order: Mayor April Hogue called a Regular Meeting of the Dos Palos City Council to order at 6:02pm in the City-County Building at 1546 Golden Gate Avenue in Dos Palos, California on Tuesday April 18th, 2023.

ORDINANCE NO. 437

AN ORDINANCE OF THE CITY OF DOS PALOS AMENDING TITLE 8 OF THE CITY OF DOS PALOS MUNICIPAL CODE TO ESTABLISH EXPEDITED PERMIT PROCESSING FOR ELECTRIC VEHICLE CHARGING SYSTEMS

RECITALS

WHEREAS, the State of California has adopted Assembly Bill 1236, which requires local agencies to adopt an ordinance that creates an expedited and streamlined permitting process for electric vehicle charging systems; and

WHEREAS, the creation of an expedited, streamlined permitting process for electric vehicle charging stations would facilitate convenient charging of electric vehicles and help reduce the City's reliance on fossil fuels.

WHEREAS, the City Council desires through the passage of this Ordinance to amend the Title 8 of the Municipal Code so as set forth procedures for expediting permit processing for electric vehicle charging systems.

NOW, THEREFORE, the City Council for the City of Dos Palos hereby ordains as follows:

SECTION 1. FINDINGS

The City Council has duly considered the full record before it, which may include but is not limited to such things as the staff report, testimony by staff and the public, and other materials and evidence submitted or provided to the City Council. Furthermore, the recitals set forth above are found to be true and correct and are incorporated herein by reference.

SECTION 2. PURPOSE

The purpose of this Ordinance is to promote and encourage the use of electric vehicles by creating an expedited, streamlined permitting process for electric vehicle charging stations

while promoting public health and safety and preventing specific adverse impacts in the installation and use of such charging stations. This Chapter is also purposed to comply with California Government Code section 65850.7.

SECTION 3. AMENDMENTS TO MUNICIPAL CODE

Title 8 of the Municipal Code is hereby amended as follows:

8.36.010 - Expedited permitting for electric vehicle charging stations.

(a) Consistent with Government Code Section 65850.7, the building official shall implement an expedited administrative permit review process for electric vehicle charging stations, and adopt a checklist of all requirements with which electric vehicle charging stations shall comply with in order to be eligible for expedited review. The expedited administrative permit review process and checklist may refer to the recommendations in the checklist prescribed by the most current version of the "Plug-In Electric Vehicle Infrastructure Permitting Checklist" of the "Zero-Emission Vehicles in California: Community Readiness Guidebook" published by the Governor's Office of Planning and Research. The city's adopted checklist shall be published on the city's website.

(b) The building department shall adopt an administrative, nondiscretionary expedited review process for electric vehicle charging stations, checklists. The checklists shall set forth all requirements with which the electric vehicle charging stations must comply in order to be eligible for expedited review. The building official is hereby authorized and directed to develop such checklist and procedures.

(c) The electric vehicle charging station permit process and checklists, shall substantially conform to the recommendations for expedited permitting, including the checklists contained in the most current version of the electric zero emissions vehicles in California: Community Readiness Guide Book adopted by the Governor's Office of Planning and Research.

(d) The building official may modify the checklists found in zero emissions vehicles in California: Community Readiness Guide Book due to unique climactic, geological, seismological, or topographical conditions.

(e) The checklists for electric vehicle charging stations adopted by the building department, as well as all other required permitting documentation shall be published on the city's website. If the building department modifies the checklists and standard plans found in the zero emissions vehicles in California: Community Readiness Guide Book, the Department shall document the unique climactic, geological, seismological or topographical conditions requiring such modifications and shall also include such documentation on the city's website.

8.36.020 - Exemptions. This section shall not apply to electric vehicle charging station projects that include additional scope. All electric vehicle charging station projects with additional scope shall be processed individually and the provisions of this section shall not apply.

8.36.030 - Definitions. The following terms shall have the following meanings:

(1) Electronic submittal. The utilization of one or more of the following:

- a. Email;
- b. Internet;
- c. Facsimile.

(2) Electric vehicle.

An electric vehicle (EV), also referred to as an electric drive vehicle, uses one or more electric motors or traction motors for propulsion. An electric vehicle may be powered through a collector system by electricity from off-vehicle sources, or may be self-contained with a battery or generator to convert fuel to electricity.

(3) Electric vehicle charging station.

An electric vehicle charging station, also called EV charging station, electric recharging point, charging point, charge point and EVSE (electric vehicle supply equipment), is an element in an infrastructure that supplies electric energy for the recharging of electric vehicles, such as plug-in electric vehicles, including electric cars, neighborhood electric vehicles and plug-in hybrids.

8.36.040 - Application review.

(a) The applicant may submit the application and related documentation for an electric vehicle charging station by electronic submittal, with all required permit processing and inspection fees, as specified on the city's website. Electronic signatures shall be accepted by the building department on all electronic submittals in lieu of a wet signature.

(b) An application for an electric vehicle charging station shall be deemed complete when the building department staff determines that the application satisfies all the information requirements in the checklists.

(c) If an application is deemed incomplete, a written correction notice detailing all deficiencies in the application and any additional information or documentation required to be eligible for expedited permit issuance shall be sent to the applicant for resubmission.

(d) Applications for electric vehicle charging station shall be administratively reviewed and approved by the building official at nondiscretionary permits within in a reasonable time following receipt of a complete application that meets the requirements of the city's approved checklists, and payment of all required permit processing and inspection fees.

(e) The building department may require the applicant to apply for a site plan if the department finds, based on substantial evidence, that the proposed electric vehicle charging station could have a specific, adverse impact on the public health and safety.

(f) Approval of an application for an electric vehicle charging station shall not be based or conditioned on the approval of an association, as defined in section 4080 of the Civil Code.

8.36.050 - Inspection.

(a) The inspection shall be completed in a timely manner. If an electric vehicle charging station fails inspection, a subsequent inspection is authorized but need not conform to the requirements of this section.

SECTION 4. VALIDITY OF ORDINANCE

If any article, section, sub-section, sentence, clause, or phrase of this Ordinance is held by a court of competent jurisdiction to be invalid, such decision shall not affect the remaining portions this Ordinance.

SECTION 5. SUMMARY OF ORDINANCE

The City Clerk is hereby directed to cause a summary of this Ordinance to be published by one insertion in a newspaper of general circulation in the County at least five (5) days prior to adoption and again fifteen (15) days after its adoption. If a summary of the Ordinance is published, then the City Clerk shall cause a certified copy of the full text of the proposed Ordinance to be posted in the office of the City Clerk at least five (5) days prior to the City Council meeting at which the Ordinance is adopted, and again after the meeting at which the Ordinance is adopted. The summary shall be approved by the City Attorney.

RESOLUTION 2023 - 07

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF DOS PALOS ADOPTING A LIST OF PROJECTS FOR FISCAL YEAR 2023-2024 FUNDED BY SB 1: THE ROAD REPAIR AND ACCOUNTABILITY ACT OF 2017 AND INCLUDING SB-1 RMRA FUNDING IN THE CITY BUDGET

WHEREAS, Senate Bill 1 (SB 1), the Road Repair and Accountability Act of 2017 (Chapter 5, Statutes of 2017) was passed by the Legislature and Signed into law by the Governor in April 2017 to address the significant multi-modal transportation funding shortfalls statewide; and

WHEREAS, SB 1 includes accountability and transparency provisions that will ensure the residents of our city are aware of the projects proposed for funding in our community and which projects have been completed each fiscal year; and

WHEREAS, the City of Dos Palos must adopt by resolution a list of projects proposed to receive fiscal year funding from the Road Maintenance and Rehabilitation Account (RMRA), created by SB 1, which must include a description and the location of each proposed project, a proposed schedule for the project's completion, and the estimated useful life of the improvement; and

WHEREAS, the City of Dos Palos, will receive an **estimated \$110,000.00 in RMRA funding** in Fiscal Year 2023-2024 from SB 1; and

WHEREAS, this is the 5th year in which the City of Dos Palos is receiving SB 1 funding and will enable the City of Dos Palos to continue essential road maintenance and rehabilitation projects, safety improvements, repairing and replacing aging bridges, and increasing access and mobility options for the traveling public that would not have otherwise been possible without SB 1; and

WHEREAS, the City of Dos Palos has undergone a robust public process to ensure public input into our community's transportation priorities producing the project list; and

WHEREAS, the City of Dos Palos used a Pavement Management System to develop the SB 1 project list to ensure revenues are being used on the most high-priority and cost-effective projects that also meet the community's priorities for transportation investment; and

WHEREAS, the funding from SB 1 will help the City of Dos Palos maintain and rehabilitate at least two streets in the City of Dos Palos this year and similar projects in the future; and

WHEREAS, the 2018 California Statewide Local Streets and Roads Needs Assessment found that the City's streets and roads are in poor condition and this revenue will help us increase the overall quality of our road system and over the next decade will bring our streets and roads into excellent or good condition; and

WHEREAS, the SB 1 project list and overall investment in our local streets and roads infrastructure with a focus on basic maintenance and safety, investing in complete streets infrastructure, and using cutting-edge technology, materials, and practices, will have significant positive co-benefits statewide; and **NOW**,

THEREFORE, BE IT RESOLVED, by the City Council of the City of Dos Palos as follows:

1. The foregoing recitals are true and correct.
2. The following list of newly proposed projects will be funded in part with Fiscal Year 2023-2024 Road Maintenance and Rehabilitation Account revenues:

Project Title:	Thomas Street Reconstruction
Project Description:	Complete reconstruction
Project Location:	Thomas Street between Palm Avenue and Lynn Avenue (approximately 1100' in length) and Leonard Avenue between Thomas Street and Colony Canal.
Estimated Project Schedule:	Started October 2022-Completion December 2023
Estimated Project Useful Life:	40 years (2062).

3. The following previously proposed and adopted project *may* also utilize Fiscal Year 2022-2023 Road Maintenance and Rehabilitation Account revenues in their delivery. With the relisting of this project in the adopted fiscal year resolution, the City is reaffirming to the public and the State our intent to fund this project with Road Maintenance and Rehabilitation Account revenues:

Project Title:	Center Avenue North Project
Project Description:	Complete reconstruction
Project Location:	Center Avenue between Marguerite Street and Loraine Street, and Loraine Street between Center Avenue and Dos Palos Avenue
Estimated Project Schedule:	Started in 2020-Completion July 2022/Warranty issues
Estimated Project Useful Life:	40 years (2061).

The foregoing Resolution 2023- 07 was introduced by _____, which motion was duly seconded by _____, and said motion was adopted unanimously, on a ____ vote of the Members of the City Council present at a regular meeting held on May 16, 2023 by the following votes to wit:

MEMO

Date: May 12, 2023 **Project No.:** 230013 /
To: Dwayne Jones, City Manager
From: Garth A. Pecchenino, PE, PLS
Subject: City Project Status

The following will provide a brief report on the status of various projects and items being addressed by QK staff or working with City Staff to provide assistance for the last month.

Water Plant replacement project:

The project construction documents have been placed out for bid, two paper notices are being run, the plans have been distributed to 8 Builder Exchanges and notification out to Contractors that conduct this type of project and have the bonding capacity for the overall related cost. A pre-bid job walk is scheduled for May 25th and currently the bid opening is scheduled for June 13, 2023.

This schedule also shows the public review timeline for the Rate Study.

Rate Study:

The Notices for the rate study will be sent out at the end of May, for the 45-day period of Public review, a workshop has been set for June 28th and the Public hearing date of July 18 for the final acceptance of protest votes on the proposed water rate revised monthly charges. City staff along with Self Help staff are handling the mailing of the Public Notice for the Prop 218 process, Self Help will be conducting a door-to-door outreach to inform customers and property owners of the proposed changes to the water rate structure.

Schedule attached.

Valeria Street Project – The project is now being reviewed for the construction funding, the additional Environmental documents have been signed by the City and filed with Caltrans. No Change

Thomas Street Project – The Contractor has completed the project and we are finishing out the punch list items. This being replacement of a few cracked concrete areas and some pavement areas.

Center Street – Warranty Work – The Contractor will return in the spring of 2023 to complete the work.

Wastewater –

Dora Street Lift Station, have started an application for additional funding to offset the cost increases, mainly to deal with the increased electrical costs on the project.

Drought Planning – No Change
